Sir,

Allowances - Water-panchi - Coondapoor T.L.X - Iuka ... Hadi village - Holder - Mogappa Madiga - Deceased - Resumption recommended.

*****

(A) Mogappa Madiga, holder of the water-panchi allowance of Rs.6/- sanctioned in B.O.No.16, Rev., dated 5.1.1909 is dead. The allowance which was being paid under I.R.O.No.?? was last drawn by the holder on 16.2.1934. Enquiry shows that the services for which the allowance was granted ceased to be performed from fasli 1343. The son and heir of the last holder has expressed his inability to maintain the charity and has no objection to the cancellation of the grant It has been learnt that the need for a water-panchi has since disappeared. A public well has now been sunk at this place. Moreover, pedestrians on this road are now rare owing to facilities of motor conveyance. I, therefore, recommend that the allowance may be resumed.

The pensioner Nagappa Adiga died on 6-1-37, but he had not drawn his pension since 16-2-34 and had also discontinued the service for which the pension was paid on account of sickness. As the allowance had not been paid for 3 years prior to the death of the pensioner, the village officers did not report the death of the pensioner in time. Hence the matter was not reported earlier.

One Subbanna Shetty, potail of Idurkunhadi village is willing to erect a chatram close to the public well in the same village and provide pots etc. to take out water from the well. The Chatram will be open to all classes of people irrespective of caste or creed. The allowance in question may be assigned for this purpose in accordance with the doctrine of Cypres.

The Government agree that it is unnecessary to take any initiative towards the revival of religious institutions, services in choultries and water pandals the need for which has ceased to be felt by the public. They do not however consider that there is any advantage to be gained by ear-marking income obtained from resumed or lapsed grants for any particular item of expenditure. ~~The Collector was thereupon~~
was, however,

It was ordered at ft. 3 n. x that this file might lie over till orders of Govt. were received on the reference made to Govt. regarding the appropriation of lapsed allowances assigned to religious and charitable institutions to the Rural Water Supply Dev. The Govt. have agreed with the Board that it is unnecessary to take any initiative towards the revival of religious institutions services in Choultries and water pandals the need for which has ceased to be felt by the public. The Collr's original recommendation was for the resumption of the allowance as there was no more need for a water pandal, a public well having since been sunk at the place. On the Board's refce of 31.3.39 as to whether there was no other suitable institution to which

the allowance of Rs 6 could be assigned, he has changed his recommendation and suggests that it may be assigned to Tofail Subbanna Chetty who is willing to erect a chattram near the well and provide patrol to draw water from the well. The allowance of Rs 6 being intended for the maintenance of a water pandal, it cannot be utilised for a chattram. A public well having been sunk at the place, there is no need for a water pandal and the allowance may be resumed agreeably to the Collr's original recommendation and the credited to general revenues.
